ecobee SMART THERMOSTAT PREMIUM

Powered by Bryant

EB-STATE6BR-01

Next level comfort and control

Spectacular energy savings, plus so much more than you'd expect from a smart thermostat

✓ Smart, intuitive and low maintenance

The ecobee Smart Thermostat Premium, tailors itself to your schedule, your personal comfort preferences and the weather outside. It can also show how much money you've saved each month and give you insight into your heating and cooling equipment performance.

✓ Compatible with your smart home

Works seamlessly with third-party smart home platforms such as Apple® HomeKit®, Amazon® Alexa®, Google® Assistant, Samsung® SmartThings®, Alarm.com and IFTTT®.¹

✓ Automatic savings

Automatically helps save up to 26%* on heating and cooling costs, while keeping you comfortable with included room sensor.

✓ Premium look and ease-of-use

Designed with premium materials and advanced engineering. Features thicker glass, intuitive usability, large screen, metal body, and our most advanced sensors ever.

✓ Greater peace of mind

Five-year limited warranty when purchased through and installed by a Bryant dealer², is ENERGY STAR® certified and may qualify for rebates from your local energy utility (where available).

* Compared to a hold of 72° F/22° C

Features that bring you comfort at home and control from anywhere

featured TECHNOLOGIES

Voice control

Use Amazon® Alexa® voice commands to change temperature settings, check the weather, hear the news, make a phone call, play music and more.

Stream music

Play music through a Bluetooth® speaker using Spotify® Connect.¹

Included SmartSensor

Includes a SmartSensor to keep important rooms comfortable by adjusting your thermostat based on occupancy and temperature. Add up to 31 additional sensors (sold separately).

Controllable from anywhere

Access your system from anywhere with your iOS® or Android® devices.¹

Air quality alerts

Built-in air quality monitor that alerts you when air quality is poor and can send reminders when it's time to change the furnace's air filter

Hands-free calling

Call friends and family anywhere in North America free of charge from your thermostat using Amazon® Alexa.

Gain more control with a complete **HOME COMFORT SYSTEM**

Enjoy a world-class comfort experience with the combined efforts of two of the industry leaders in home comfort – Bryant and ecobee.

With highly advanced communication at its core, pair an ecobee thermostat, Powered by Bryant, with a complete home comfort system to give you total control over your home's comfort, temperature and humidity.

AIR CONDITIONER OR HEAT PUMP

Provides efficient cooling or cooling/heating for comfort and potential energy savings.

GAS FURNACE

Provides high-efficiency heating for comfort and potential energy savings.

FAN COIL

Works with your outdoor heat pump to convert heating and cooling energy and deliver more comfortable air to your home.
